INFORMATION STATEMENT

**WE ARE NOT ASKING YOU FOR A PROXY AND YOU ARE
REQUESTED NOT TO SEND US A PROXY**

GENERAL

This Information Statement is being furnished to the shareholders of BJ's Restaurants, Inc., a California corporation (the "Company"), to inform you that shareholders owning 10,291,821 shares of Common Stock, representing a majority of the outstanding voting power of the Company, have taken the following action by written consent:

To adopt an amendment to Article III, Section 2 of our Bylaws to increase the range of directors on our Board of Directors to a minimum of 7 directors and a maximum of 13 directors and set the exact number of directors at 10 directors (the "Proposal").

The Board of Directors of the Company recommended that the shareholders vote to approve the Proposal in order that the Board would have the ability to appoint Gerald W. Deitchle to serve as the 10th director on the Board of Directors of the Company. The Board believes that Mr. Deitchle is a candidate with strong experience in the casual dining industry, and that he will assist the Company in implementing its continuing growth strategy. Upon the effective date of the amendment to the Bylaws, the Board intends to appoint Mr. Deitchle to the vacancy created by the increase in the number of directors, to serve until the next annual meeting of shareholders of the Company.

This Information Statement is being sent in lieu of a special meeting of shareholders. The Company has adopted the Proposal by the written consent of shareholders holding a majority of the voting power of the Company.

The Company's Board of Directors unanimously approved and recommended, pursuant to a written consent dated September 27, 2004, that the Proposal be approved by the shareholders. The Company's shareholders holding a majority of the voting power of the Company approved the Proposal pursuant to a written consent dated September 27, 2004. The Proposal will become effective on November 7, 2004, which is the date that is 20 calendar days following the date this Information Statement is expected to be first mailed to our shareholders. If the Proposal was not adopted by written consent, it would have been required that they be considered by the Company's shareholders at a special or annual shareholders' meeting convened for the specific purpose of approving the Proposal.

The elimination of the need for a special or annual meeting of shareholders to ratify or approve the Proposal is authorized by Section 602 of the California Corporations Code and Section 10 of the Company's Bylaws, which provides that the written consent of shareholders holding the minimum number of votes that would be necessary to authorize or take that action at a meeting at which all shares entitled to vote on that action were present and voted may be substituted for such a special or annual meeting. In order to eliminate the costs and management time involved in holding a special or annual meeting and in order to effect or ratify the Proposal as early as possible in order to accomplish the purposes of the Company as hereafter described, the Board of Directors of the Company voted to utilize the written consent of shareholders holding a majority of the voting power of the Company.

The holders of 10,291,821 outstanding shares of our Common Stock gave their written consent to the Proposal described in this Information Statement on September 27, 2004, which represents approval of the Proposal by a majority of the Company's voting power. It is proposed that this Information Statement will be first sent to the shareholders on or about November 7, 2004. The record date established by the Company for the purposes of determining the shareholders entitled to vote and to whom this Information Statement is to be sent is September 29, 2004 (the "Record Date"). As of the Record Date we had 19,751,786 shares of Common Stock issued and outstanding and entitled to vote on the Proposal, with each share of Common Stock entitled to give consent.

The Company is distributing this Information Statement to its shareholders in full satisfaction of any notice requirements it may have under the California Corporations Code. No additional action will be undertaken by the Company with respect to the receipt of the written consents, and no dissenters' rights under the California Corporations Code are afforded to the Company's shareholders as a result of the adoption of the Proposal.

Proposal 1: Amendment to Article III, Section 2 of Our Bylaws

On September 27, 2004, our Board of Directors voted unanimously to authorize and recommend that our shareholders approve a proposal to amend Article III, Section 2 of the Company's Bylaws to read as follows:

"Section 2. Number and Qualification of Directors. The number of directors of the corporation shall not be less than seven (7) nor more than thirteen (13). The exact number of directors shall be ten (10) until changed, within the limits specified above, by a resolution amending this Section 2, duly adopted by the board of directors or by the shareholders. The indefinite number of directors may be changed, or a definite number fixed without provision for an indefinite number, by a duly adopted amendment to the articles of incorporation or by an amendment to this bylaw duly adopted by the vote or written consent of holders of a majority of the outstanding shares entitled to vote; provided, however, that an amendment reducing the number or the minimum number of directors to a number less than five (5) cannot be adopted if the votes cast against its adoption at a meeting of the shareholders, or the shares not consenting in the case of action by written consent, are equal to more than sixteen and two-thirds percent (16-2/3%) of the outstanding shares entitled to vote. No amendment may change the stated maximum number of authorized directors to a number greater than two (2) times the stated minimum number of directors minus one (1)."

On September 27, 2004, shareholders holding shares of capital stock representing a majority of the outstanding shares entitled to vote approved by written consent the amendment to Article III,

Section 2 of our Bylaws. Article III, Section 2 of our Bylaws requires the affirmative vote or written consent of holders of a majority of the outstanding shares entitled to vote to change the indefinite number of directors and Article IX, Section 1 of our Bylaws provides that the affirmative vote or written consent of a majority of the outstanding shares entitled to vote may amend our Bylaws.

Reason for the Amendment

Our board of directors believes that it is in the best interests of the Company to increase the range of the number of directors on the board of directors to a maximum of thirteen (13) directors and set the exact number of directors at ten (10) so that Gerald W. Deitchle may be elected to serve as the tenth (10th) director of the Company, while providing the Company flexibility to increase or decrease the number of directors in the future without an amendment to the Bylaws.

Vote Required

The affirmative vote of the holders of a majority of the outstanding shares of voting stock is required for the approval of the amendment of our Bylaws to change the indefinite number of directors. We have obtained this approval through the written consent of shareholders holding a majority of the outstanding voting power of our outstanding capital stock. Therefore, a special meeting of the shareholders to approve the amendment to Article III, Section 2 of our Bylaws is unnecessary.

ABSENCE OF DISSENTERS' RIGHTS

No dissenters' or appraisal rights are available to the company's shareholders under the California Corporations Code, the Company's articles of incorporation or its bylaws in connection with the Proposal.
